About the Shows:

Hey Gringo May 21, 22, 23

He brought a ticket, jumped on a plane and set off. No rough Guide in the world could have prepared him for the consequence....

From the moment his plane lands in Caracas (without his luggage) we're on a roller-coaster ride down unexplored tributaries of the Amazon, across the snow-capped peaks of the Andes and into the depths of some of the most brutal prisons in the world.

A catalogue of close scrapes and surprise encounters- drug smugglers, Dutch airline hostess, Carmelite monks, Maoist guerrillas, Mancunian ornithologists, Amazonian Indians and a French Shaman - not to mention crocodiles, jaguars and giant shit-eating centipedes!

Sex with Pete May 27, 28, 29, 30

After his much younger girlfriend leaves him for a better looking, richer more successful friend of his, Searles dissolves into a gibbering, chain-smoking, suicidal insomniac! In desperation he resorts to the latest new-age self help healing therapy: e.f.t. (Emotional Freedom Technique) regressing him into a voyage of self re-discovery- where buried memories of past relationships, one-night stands and a very confused childhood- all come bubbling to the surface with hilarious, painful and revelatory results!

This is a true-life tale of one mans journey into his sexual past... that at the age of 47 (and single again) turns into a quest for enlightenment and love.... and maybe next time a beautiful young blonde comes floating into the bar, he might think twice (but probably not!)
